## S.H.A.R.E.: Sharing Hopes, Attitudes, Responsibilities, and Expectations

My name:

My co-teachers & collaborators:

*Make a copy of this document for yourself, then answer these questions openly and honestly. Later, share the document with anyone with whom you might collaborate. Reading each other's responses will help to start a conversation!*

*If you completed this document last year or some other time, you may want to go back and see your initial responses. You might be surprised to note how your ideas have changed over time.*

- 1.) Right now, the main **hope** I have regarding this collaborative teaching situation is:
- 2.) My **attitude**/philosophy regarding teaching students with disabilities in a general education classroom is:
- 3.) I would like to have the following **responsibilities** in a co-taught classroom(s):
- 4.) I would like my collaborating teacher(s) to have the following **responsibilities**:
- 5.) I have the following **expectations** in a classroom:
  - a) regarding discipline -
  - b) regarding classwork -
  - c) regarding materials -
  - d) regarding homework -
  - e) regarding planning -
  - f) regarding modifications for individual students -
  - g) regarding grading -
  - h) regarding noise level -
  - i) regarding cooperative learning -
  - j) regarding giving/receiving feedback -
  - k) other important expectations I have -
